New to North Pointe and have children?

Children are an important part of the North Pointe church. For this reason we offer the following opportunities for children during our worship service:

Nursery: A staffed nursery with pagers for parents, is provided during the worship service. The nursery for babies, toddlers and two year olds is located in E Hall past the restrooms. A separate, non-staffed nursery is also available for parents to use as needed.

***Children's Offering:** To teach our children the discipline of giving we provide them an opportunity to contribute in a visible way. This money is used for various ministries.

****Children's Worship:** Because children have their own unique level of learning and expression we offer a special worship period for children 3 years of age through 4th grade. Children are dismissed to Children's Worship following the Children's offering.

*****What is "Face to Face with God"?**

This time during our worship service allows three opportunities for personal prayer. Your may: 1) remain in your seat and spend time privately praying to God, 2) go to the back of the cafeteria where a member of our prayer team will pray for you or with you, privately and in confidentiality concerning your prayer request, or 3) come to the front row of seats with your public prayer request where the prayer leader will include your request in his prayer concluding this period.
