

“Almost There”

If all goes according to schedule, this time next month the new church offices should be ready for use. In addition to the offices in which the ministry staff will work, there will be a meeting room for various groups to use. The first planned event is the Love and Logic Parenting Class. (See back page.)

A lot of time, energy, and hard work have gone into remodeling that house. We are thankful to all of you who have spent many long, hot hours transforming that house from its previous condition into something we can use and be proud of.

In order to finish the offices and have them inspected and approved by the city before September, we will need one final push to get things completed. The Land and Building Team will be asking for volunteers during August to wrap up these final tasks.

Also, plans are on the drawing board for how we will utilize the second house located on our new property. The goal is to make that building available for all kinds of ministry activities from children to adults, and from church members to those who have no connection to North Pointe but need a place to meet.

These are exciting times as we see God expand the ways He is working through us to transform the world. So when you drive that nail, paint that wall, or saw that board, remember, it is not just you doing it, but God working through you to further His mission in the world.

New to North Pointe and have children?

Children are an important part of the North Pointe church. For this reason we offer the following opportunities for children during our worship service:

Nursery: A staffed nursery with pagers for parents, is provided during the worship service. The nursery for babies, toddlers and two year olds is located in E Hall past the restrooms. A separate, non-staffed nursery is also available for parents to use as needed.

***Children's Offering:** To teach our children the discipline of giving we provide them an opportunity to contribute in a visible way. This money is used for various ministries.

****Children's Worship:** Because children have their own unique level of learning and expression we offer a special worship period for children 3 years of age through 4th grade. Children are dismissed to Children's Worship following the Children's offering.

***What is "Face to Face with God"?

This time during our worship service allows three opportunities for personal prayer. Your may: 1) remain in your seat and spend time privately praying to God, 2) go to the back of the cafeteria where a member of our prayer team will pray for you or with you, privately and in confidentiality concerning your prayer request, or 3) come to the front row of seats with your public prayer request where the prayer leader will include your request in his prayer concluding this period.
