

Need to Talk?

Because Karen and I both have careers and share in the responsibility of taking care of our boys, and because Karen's work schedule fluctuates, I often have to shift my two weekly days off. That has made it difficult for people to know when I am available to meet, either for ministry team meetings, or for one-on-one personal discussions.

In order to make myself more available to you to discuss whatever may be on your mind, I am working to publish my schedule on the church's web page. In the meantime, I will publish my next two weeks schedule here in the bulletin.

During these posted office hours, I will usually be in the office and am available to visit with you. Please call ahead in case I am out of the office at the time. I realize that not everyone is available to meet during the workday, so I am also making myself available on most evenings by appointment. On the days that Karen works, I am only available after she gets home. Other evenings I am available by appointment, unless I have a family event or other engagement already planned.

I would enjoy visiting with you if you have questions, concerns or any other matter to discuss. Please don't hesitate to call so we can get together to talk.

New to North Pointe and have children?

Children are an important part of the North Pointe church. For this reason we offer the following opportunities for children during our worship service:

Nursery: A staffed nursery with pagers for parents, is provided during the worship service. The nursery for babies, toddlers and two year olds is located in E Hall past the restrooms. A separate, non-staffed nursery is also available for parents to use as needed.

***Children's Offering:** To teach our children the discipline of giving we provide them an opportunity to contribute in a visible way. This money is used for various ministries.

****Children's Worship:** Because children have their own unique level of learning and expression we offer a special worship period for children 3 years of age through 2nd grade. Children are dismissed to Children's Worship following the Children's offering.

*****What is "Face-to-Face with God"?**

This time during our worship service allows three opportunities for personal prayer. You may: 1) remain in your seat and spend time privately praying to God, 2) go to the back of the cafetorium where a member of our prayer team will pray for you or with you, privately and in confidentiality concerning your prayer request, or 3) come to the front row of seats with your public prayer request where the prayer leader will include your request in his prayer concluding this period.

Future Church Facility Update

The Future Facility Team members, shepherds and ministry staff will be meeting with HH Architects, Tuesday night, September 15. We will develop a schedule associated with completing the Strategic Plan, Phase 1/Site Plan and Master Plan, and a calendar for the architects to meet with the congregation to discuss the normal building process. The Strategic Plan involves developing information about our congregation, and includes input to determine the Phase 1 building functions/costs, Site Plan, and the Master Plan. From here on, it is a congregation decision to determine how much we spend and what we want to build, with HH Architects helping us through this process. The Future Facility Team has worked long hours selecting the best architectural firm for the job and I know many of us have been waiting to get started with an on-site building so we can better serve the community and God!
