

“Unpacking”

Speaking for the entire ministry staff, I want to again say “THANK YOU!” to all of you who worked so hard making the new offices a reality. Our gratitude goes to all of you who did things like giving money to purchase the land, designing and facilitating the remodeling, filing all the paperwork with the city and counties, and putting in long hours of manual labor.

There are still plenty of tasks left to complete, but it is so nice to finally move in. For the last four years Beverly Ritz has worked in a tiny, crowded office along with other part-time staff people. During that same period I have divided my time between a desk in a non-air conditioned/non-heated storage area, and a home office. Matt Lee has occupied a desk and work area that makes the average library study carrel look like a convention hall. I tell you this because I am proud to work alongside a committed team of people who has endured less than ideal conditions all because they believe deeply in the mission of this church. Now God has provided a more comfortable and spacious work area, for which we are extremely grateful.

In the weeks to come, remodeling work will start on the second house located on the church’s land in Sachse. When completed, this facility will provide us, and our community, with space for various meetings, classes and group activities.

So thanks again for your sacrifice and service as we continue to follow God into His future for North Pointe.

Curtis Williams

New to North Pointe and have children?

Children are an important part of the North Pointe church. For this reason we offer the following opportunities for children during our worship service:

Nursery: A staffed nursery with pagers for parents, is provided during the worship service. The nursery for babies, toddlers and two year olds is located in E Hall past the restrooms. A separate, non-staffed nursery is also available for parents to use as needed.

***Children’s Offering:** To teach our children the discipline of giving we provide them an opportunity to contribute in a visible way. This money is used for various ministries.

****Children’s Worship:** Because children have their own unique level of learning and expression we offer a special worship period for children 3 years of age through 2nd grade. Children are dismissed to Children’s Worship following the Children’s offering.

*****What is “Face-to-Face with God”?**

This time during our worship service allows three opportunities for personal prayer. Your may: 1) remain in your seat and spend time privately praying to God, 2) go to the back of the cafeteria where a member of our prayer team will pray for you or with you, privately and confidentially, or 3) come to the front row of seats with your public prayer request where the prayer leader will include your request in his prayer concluding this period.
